

NEWSLETTER

HERITAGE SOCIETY OF PACIFIC GROVE

JULY 1977

The purpose of the Heritage Society's Newsletter is to bring the members of the Society up-to-date on Society activities and to encourage more members and new members to participate actively in the work of the Society.

GENERAL MEETING

On July 20, a slide show, panel discussion, and review of Society work are scheduled for members of the Heritage Society. The panel discussion will deal with the legal and financial benefits of a strong historic preservation program for Pacific Grove. Add refreshments and some socializing, and you can expect to have an enjoyable evening. The meeting will begin at 7:00 P.M. in the Christian Church on Central Avenue.

HOUSE TO BE AUCTIONED

The last newsletter reported that a possible lot had been found for the relocation of the Heritage Society's house. Unfortunately, it did not work out. The last alternative is to hold an auction, and the Society is now accepting sealed bids for the house. By the end of July, the house will have a new owner and new location.

QUILT SHOW

The Quilt Show held in May added to the Society's coffers. Thanks should go to Marilyn Gustafson, Jeanne Mills, Wendy Howe, Wilda Northrop, Pat Dormedy, Dee Burke, and Linda Bulgreen. Many Society members pitched in and helped and lots of people enjoyed more than 80 beautiful quilts.

SLIDE SHOW FOR OTHER CLUBS

The Society has put together an interesting slide show and accompanying discussion. (You'll see the slides at the Society's July 20 meeting.) We hope other service and community groups will be interested in this entertaining presentation of the town's history. Please contact Ron Cobby (375-5762) if you would like more information about scheduling the show for other clubs.

GRANT APPROVED

A survey of historic buildings in Pacific Grove is underway. Funded by the state, the grant was approved and given the go-ahead by the city. Wendy Howe (372-8459) is project coordinator.

REMODELING?

The Society is eager to organize a series of workshops that will offer expertise and ideas for remodeling. Answers to those "how to" questions will be given. Call Ken Hinshaw (375-3923) if you'd like to participate in a workshop on July 31.

MORE NEWS

There is a board meeting on July 14 at Jan Dunlap's (649-0409). All are invited. We start about 7:30 P.M.

The last newsletter mentioned the discovery of the old jail. In case you haven't heard:

FIRE! FIRE!

Oh well.
