Heritage Society News

For some time now the Board of the Heritage Society has been concerned with the difficulties of keeping the general membership up on the Society's activities. We now have a fine newsletter. Members will be kept abreast of the board's actions, ongoing historic research, and important city meetings.

With this possibility the time is ripe for increasing our membership. The Society needs your help. Please attend our next general meeting and bring one, two, or a dozen friends.

Two important things will happen at this meeting. First the new Board will be approved. Second, the Society will hold a first time showing of its photo collection. Older photos will be coupled with current shots of the same buildings. Complete descriptions of the photos have been prepared.

Please come to the Community Center January 2] at 4pm. Refreshments will be served.

Members will be asked to approve the following slate:

Lois DeFord	President
Wendy Howe	Vice-President
Chris Franco	Membership
Don Beals	Treasurer
Nellie Patchick	Secretary
Muriel Pyburn	Publicity
Jane Dinell	Newsletter
Robert DeFord	Fundraising
