ONE GOOD THING LEADS TO ANOTHER

THE BARN IS ON ITS WAY! Our fund-raising campaign is in full swing and as soon as we've reached our goal we will begin hammering and sanding.

A party, complete with food, libation and lots of good old-fashioned fun will be held to thank all of those who contribute to the barn project. The party will be held as soon as the goal is reached--a true time to cel-

ebrate, as Pacific Grove completes her own charming little historic headquarters.

Can you invest a little in P. G.'s past? We need your help, and we promise you a good return for your investment. All donations of \$100 or more will be recognized on a permanent plaque in the barn. Donations are tax-deductible!

What's Happening

CHATAQUA?

What ever happened to Chataqua? Good question. What ever did happen to Chataqua? If you are interested in finding the answer to that question just attend the Society's next monthly program to be presented by Bill and Evelyn Butner who have spent a year researching the answer to the question of whatever happened to the Chataqua movement.

The Butner's presentation is scheduled for 1:30 p.m. Sunday, November 30 at St. Mary's By-the-Sea Episcopal Church Parish Hall, Central Avenue and 12th Street.

IT'S ACADEMIC

The society's historical preservation committee has completed work on an educational program to assist Pacific Grove Unified School District faculty in instructing students from kindergarten through 12th grade about the Grove's rich heritage.

Programs of instruction are available in such areas as architectural styles, preserving old buildings, life in early Pacific Grove, as well as field trips to and discussions of historical locations.
